Mrs. Smith Discovered And Used The Keys To Success

Juanita Allmendinger Smith was born on a farm in Marion County. She graduated from Waldo High School and entered Ohio Wesleyan University at the age of sixteen. Mrs. Smith was chosen Prettiest Ohio Wesleyan Coed with the picture at the left. After graduation from O.W.U. her teaching included one year at Larue High School and four years at her old Alma Mater, Waldo High School, before she was married. She coached plays, sponsored the debate teams, and advised the yearbook staff.

In 1930 she married Kenneth Smith, M. D. and moved to Marion, Ohio. Mrs. Smith has two daughters, Barbara, who lives in Dearborn, Michigan, and Carol, who lives here in Columbus. She has four grandchildren.

During World War II, Mrs. Smith and her daughters traveled with her husband, a major in the Ohio Thirty-Seventh Division.

She received her Masters Degree from O.S.U. and has been teaching at Franklin Heights for the past nine years.

During her summers, Mrs. Smith enjoys gardening, antiquing furniture, needlepoint, and of course, reading many of the current books. She also enjoys spending time with her four grandchildren and doing her best to spoil them.

During her years at F.H.H.S., Mrs. Smith has contributed much to the activities of the school by being adviser to the Debate Club and Thespians and directing many junior and senior class plays. The Yearbook Staff and all the students of F.H.H.S. would like to thank Mrs. Smith for all of the understanding, help, and encouragement she has given us.

June 1966

Greetings:

The theme of our yearbook is keys. The keys to a good school are school spirit, ambition, dedication and determination. Also needed are qualified teachers, successful organizations and a well-rounded athletic program.

Certain "key" qualifications make up a good yearbook staff, such as staff effort to meet deadlines, the successful job of selling ads, a good business manager to keep the files in order, a qualified advisor to help with the many problems in putting together a yearbook, and pictures to reveal the true story of the school year. This is what we have tried to do in making the 1966 TORCH.

In closing I hope our efforts in combining all these "keys" into the 1966 TORCH will bring back fond memories of "key" events which have happened during the 1965-66 school year.

Sincerely yours,
Rick Jones

All art work published in this 1966 TERCEL is the work of Sharon Davis. Without her willingness and dedicated art ability, much of the originality would be missing. Our thanks to Sharon Davis for a job well done.
